

A NEW PERSPECTIVE ON SPACE TRAVEL

Take flight with Space Perspective on a Bruhl partnered spaceflight

The World's Only Carbon-Neutral Spaceflight Experience

Space Perspective is the world's first luxury spaceflight experience company, inviting more people than ever before to experience a thrilling new perspective that only space can provide. Escorted to the edge of space inside Spaceship Neptune's pressurized capsule propelled by a high-performance SpaceBalloon™, the ultra-comfortable, accessible, and gentle six-hour journey redefines space travel.

WHY CHOOSE SPACE PERSPECTIVE?

SAFETY

Space Perspective is the safe way to travel to space, with the most reliable and proven technology flown over 1000 times by the likes of NASA.

EXPERTISE

Space Perspective crew members have been instrumental in all balloon-propelled human space flights in the last 50 years, bringing important contributions to the future of space travel.

SUSTAINABILITY

Space Perspective leads the space industry in sustainability. We protect our planet Earth by flying a zero-emissions flight and by implementing policies that allow our company to be carbon neutral.

COMFORT & ACCESSIBILITY

No rockets. No g-forces. You embark on a gentle 6-hour journey, complete with a culinary and beverage experience. Share the adventure by live streaming with onboard Wi-Fi. And, of course, there will also be the most exclusive Lavatory located at the edge of space.

QUINTESSENTIAL ASTRONAUT EXPERIENCE

Be among the first to explore the edge of space to gain an Astronaut's perspective by experiencing the transformational view of Earth in space.

CONSIDER SPACE PERSPECTIVE FOR:

- A private capsule reservation to fly to space with the people most important to you.
- A trip on Spaceship Neptune is the ultimate gift.
- Discovering inspiration for your next adventure, novel, or any artistic masterpiece.
- Opportunity to celebrate a milestone, birthday, or wedding.
- Taking the company get-together, client appreciation, employee, or sales incentives to new heights.
